(This is not the Returning Student Update)

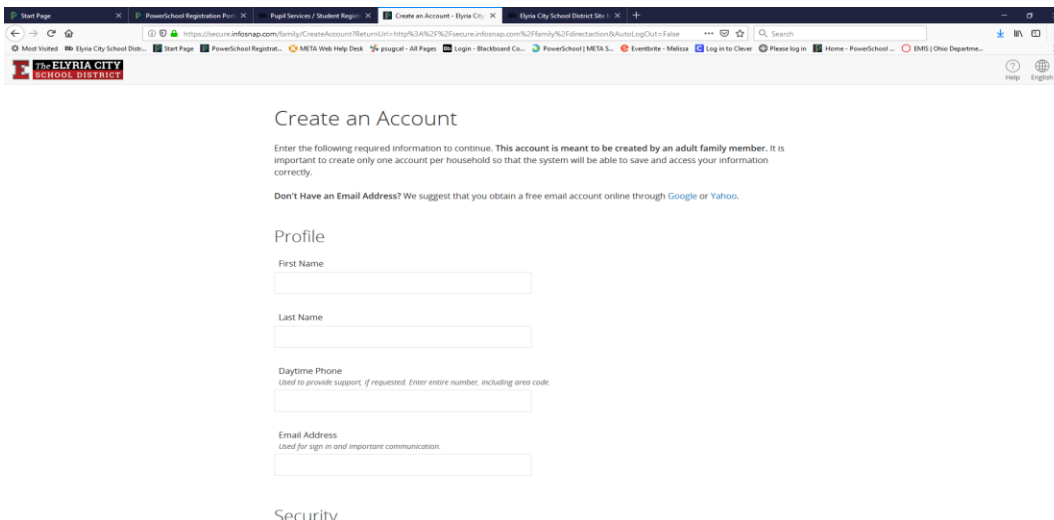

All students new to the district must be registered online prior to enrollment.
Kindergarten: Your student must be 5 years of age ON OR BEFORE September 30 to register for school.
2018-2019 On-Line Registration for K through Grade 12 is currently available. The registration process will not be considered complete until all of the required documents are provided to our Registrar.

If you **don't** have an account, you will need to create one here. If you **do** (because you registered a new student in the past or have done the Returning Student Update) sign in here. Please keep your password somewhere safe, as we do not have access to retrieve it for you. For Password Issues please call PowerSchool Registration at 1-866-752-6850.

The screenshot shows the top of the PowerSchool registration page. On the left is the 'The ELYRIA CITY SCHOOL DISTRICT' logo. In the center, there are two main options: 'Sign In' and 'Create Account'. Below 'Sign In' are input fields for 'Email Address' and 'Password', a 'Remember me on this computer' checkbox, and a green 'Sign In' button. Below these are links for 'Forgot password?' and 'Sign into your account using your cell phone number.'. To the right of the 'Sign In' section is the 'Create Account' section, which lists benefits: 'Complete forms online', 'Save and return to forms in progress', and 'Print form history'. A green 'Create Account' button is located below this list. Two red arrows point from the text above to the 'Sign In' and 'Create Account' buttons.

Creating an Account looks like this.

The screenshot shows the 'Create an Account' form. At the top, it says 'Create an Account' and provides instructions: 'Enter the following required information to continue. This account is meant to be created by an adult family member. It is important to create only one account per household so that the system will be able to save and access your information correctly.' Below this is a link: 'Don't Have an Email Address? We suggest that you obtain a free email account online through Google or Yahoo.' The form is divided into three sections: 'Profile', 'Daytime Phone', and 'Email Address'. Each section has input fields. The 'Profile' section has fields for 'First Name' and 'Last Name'. The 'Daytime Phone' section has a field with a note: 'Used to provide support, if requested. Enter entire number, including area code.' The 'Email Address' section has a field with a note: 'Used for sign in and important communication.' Below these sections is a 'Security' section. A red asterisk is visible next to the 'Email Address' field, indicating it is required.

Parents must have an email account. If you don't, a free email account can be set up free through google, yahoo etc.

Follow the prompts to fill out the rest of the form, paying close attention to the required fields marked with a red asterisk *.

If you wish to upload any of your documents you **MUST** do it **BEFORE** you click **SUBMIT**.

If the submit button is grayed out, scroll through the page and look for **required** **Edit**. This information is either incomplete or in the wrong form. Click **EDIT** and it will take you to the spot that needs correcting. Click **Review & Submit** on the left menu to return to the last page.

Once you submit the form you will have an opportunity to print a copy of the registration for your records, download supplemental forms, and register another student if you wish. Directions are on the last page.
